

June 9, 2017

Steven D. Lewis, City Manager  
City of Norman  
P. O. Box 370  
Norman, OK 73070

Dear Mr. Lewis,

The current Oklahoma Gas and Electric Company Franchise Agreement with the City of Norman expires December 14, 2018. We would like to pursue renewal of this agreement this year, with hopes of bringing it to a vote of the citizens of Norman on October 10, 2017.

It is our hope that the current agreement is perceived as being mutually beneficial to the City of Norman, OGE and our Norman customers.

As a preparative step, we have verified the availability of October 10, 2017 with the Cleveland County Election Board.

To continue our preparation, I would ask that a City Ordinance number be assigned for consideration and possible adoption of an ordinance granting the Oklahoma Gas and Electric Company a franchise for the installation, operation and maintenance of an electric distribution system in the City of Norman and the selling of electricity therein for a term of 25 years.

In addition, I would ask that a City resolution number be assigned for consideration and possible adoption of a resolution calling for and holding an election in the City of Norman for the purpose of granting a franchise to Oklahoma Gas and Electric Company for the installation, operation and maintenance of an electric distribution system and the selling of electricity therein for a term of 25 years.

I will serve as the OGE contact for items not addressed in this letter.

Sincerely,

A handwritten signature in black ink, appearing to read "James W. Chappel".

James W. Chappel
