Mr. Younger,

Thank you for your message and I apologize for not having received this sooner. I was not on my computer much over the weekend. I am sorry for missing this and I regret having missed the opportunity to coordinate with you and your law enforcement officers.

I want to extend to you my thanks and gratitude for the unsurpassed professionalism displayed by the Norman police department staff at Saturday's protest. You guys have at all times been very cordial and respectful at the peaceful demonstration we've held. It has not gone unnoticed by the public or the core organizers.

Emotions were running high on Saturday (mine included) and I want to let you and your fellow officers know that--all things considered--I appreciate your presence and how well your young men and women conducted themselves, especially during the tenses moments. The state troopers, however, could use some coaching from y'all.

While I was disappointed to see the national FOP has endorsed Mr. Trump, I am glad those political considerations did not overtake the duties and oaths you have taken to uphold the constitution and protect the rights of the public to free speech. I am heartened to know the culture at NPD is such that these duties are taken seriously.

I must apologize again for failing to see your email in advance of the event. No disrespect intended. I just wasn't on my email account Friday or Saturday.

Best,

This is the information I have so far. It is subject to change and will likely change before the target date. Mr. Trump plans on being in Norman on Saturday, 9/17. He plans on attending the OU/Ohio State game and walking through the tailgate area before going to Coach Switzer's residence at some point. I will send out more information as it becomes available. This has the potential to affect traffic, bike, HDU, and SWAT.

I will serve as the contact for Secret Service and will be in touch with all of the affected commanders.

Boss

We have been contacted by Secret Service regarding a tentative visit from Presidential Candidate Trump. The visit is scheduled for Saturday September 17<sup>th</sup>. Apparently there is a fund raiser scheduled at the home of Barry Switzer and the Mr. Trump is scheduled to visit tailgaters and possible enter the stadium. All of this is very tentative. However, our SWAT team is meeting with Secret Service Monday to discuss this. I will keep you posted.
