Barry.

Do you have anything on this yet? I understand they are holding two LaserShot Firearms simulators for Norman PD but we have to have the new "DODAACS" number to get them.

Thanks and hope you guys had a Merry Christmas and Happy New Year.

Jim,

No sir, I have a teleconference with LESO/DLA today at 1400. I will ask where they stand on issuing the new DODAACS to Oklahoma LEA's.

Do we need to take any action regarding the issuance of the new numbers? I'll contact Stallworth today and thanks.

Jim.

Yes I do, through the LESO/1033 Program. DLA is in the process of issuing "new" DODAACS to several Oklahoma Law Enforcement Agencies (including Norman PD). I noticed the portable firearms simulator out of Tinker on the LESO website this morning, just checked again after receiving your email & they were no longer listed. You might contact Harold Stallworth & see if they still have them.

Barry,

Does your office have any connection with DRMO?

Sir,

Can you contact the below individual and get us a DODAC Number Please;

POC at DRMO is Harold STALLWORTH (405)-417-1010. Dan At the ARMY 405-609-8787

This will allow us to obtain some free equipment from the military. The equipment is some portable LaserShot Firearms Simulators. Thank you.

Rangemaster Shon Elroy
